Ozeran Serhii

Frontend Developer

I am a Front End developer. I focus on HTML5, CSS3, JS, React, English. Development, practice and work for the result are important for me. I am skillful in analyzing problems and thinking of solutions to accurately troubleshoot and solve technical problems. I am a passionate and dedicated Frontend Developer with a strong enthusiasm for creating engaging and user-friendly web experiences. Through my academic background and hands-on projects, I have gained valuable skills in web development, HTML, CSS, JavaScript, and responsive design. In summary, as a Junior Frontend Developer, I bring a combination of technical expertise, problem-solving skills, and a passion for creating remarkable web experiences. I am eager to contribute my skills to a collaborative and forward-thinking team, where I can grow as a professional while making a meaningful impact on the digital landscape. Thank you for considering my profile, and I look forward to the opportunity to contribute my skills to your team. If you have any questions or would like to see examples of my work, please feel free to reach out to me.
